HEN'S LEGACY.

Ben Granger was a soldier in the what loads of sweetmeats and toys he -tl: Regiment Ohio Voluntaers, One night the boys were sitting so brought her a doll." around the camp fires, after a hard day's i etters from the dear ones at home, Ben received a letter, but instead of ed, it was from quite a different person. It man thus:

" Dear old friend Ben," it commene d, "When this comes to you across the grave. The fact that we stand on apposite sides in this struggle will. I feel. nake no difference to you, as concerns rich voice. the request I am about to make. You know that since the death of my wife, my little daughter, Ella, has been my day finding him a little stronger. only care. When I am gone she will be without a protector. Will you take her to your mother's home? For the sake little darling. HARRY SMPTH. 11

equaintance up to the breaking out of ach, no doubt, thinking he was right,

Their friendship had commenced more grizzled, and awkward, twenty years before at college. Harry was ten years the elder, and Mrs. Granger, one day after he had left she loves herself, and loves to be flatter when they left college together, was a the table. "He doesn't seem to cat ed, praised, coaxed, as a cat likes to be table. "He doesn't seem to cat ed, praised, coaxed, as a cat likes to be table." handsome, learned man of twenty-eight. | much of late." Since then the friends had not seen much of each other, for Harry had mur-Ben had stayed in the country, and lived happily upon the old farm.

"Poor Tharry !" said Bon, as all these old memories came back to him, sitting there by the camp-life, with the letter in his hand. "Poor Harry! I will care for little Ella as faithfully as though her father had fallen by my side. These bas expired, and I must be off to the ting-paper, or a sponge sucking in are terrible times, when the best of riends are trying to out each other's

broats! Yes, little Ella shall not want for a father while I live." "What news from home, Lieutenan Ben ?" said the cheery voice of Charlie Lee, Ben's mess-mate, who came up little hand within his own for a mowhile Ben sat gazing into the fire. "Come, man, why do you look so glam?

How's your mather ?" "My letter is not from home." "Oh I from your sweetheart perhaps? But no, you say you never had one. Ah! I have it. You are going to be

promoted, and your letter is from headuarters," "Wrong again, Charlie. It is from meither sweetheart nor headquarters," "Then I give it up,"

r yourself." Who ever saw a soldier who would not read a letter when it was offered so old, and grizzled, and awkward.

him ? Ben watched the serious look that ame over his friend's face as he read the letter.

"I declare, Ben, it's quito a remance; mad to the books. But wan't you, an old bachelor, verging upon forty, feel rather awkward with such a charge as this upon your hands; for of course you mean to take her ?" "Of course; and as to the awkward-

ness I would do anything for the writer f that letter, and besides, she will be a companion for my mother in her old anxiety and care for him. "True, I had not thought of that " That night Bon wrote a long letter to

als mother, telling hor of his friend's request, and desiring her to write imediately to the lady teacher in the city, who had the girl in charge, and nform her of the child's great less, and her father's wishes concorning her future life. Two months later he received an an swer, stating that Eller had arrived from

the city, and appeared content and pleased with her new home and friends out was very sad at the loss of her dear Ben had not seen the girl thus left unexpectedly on his hands, for some

Ever after this, his letters home car often found himself thinking of the

time when he could go home and see his little charge thus left unexpectedly in his care.

ed. In the battle of Corinth both Ben and faint, upon the sanguinary field, and Charlle Lee were wounded; the with a terrible wound in his shoulder. former not seriously, but poor Charlie dangerously.

and now, that there was danger of this?" picking up a small pocket diary losing him, every man was as much that lay upon the table, concerned as though he was a brother. could recover, but recommended him to his coat. Perhaps you had better keep time, it was some twelve hours before go home and spend the interval before It till he recovers."

But here arose a new difficulty. The poor fellow had no home that he could Pity she is not here to muse the poor go to. He was an orphan, and the only fellow." rolations he had were a couple of uncles, who both lived within the Southern the picture with him; a picture that

LETTER FROM J. M. McCLURE. The Perry Freemen contains a lengthy letter from J. M. McClare

Esq., late Deputy Attorney General, In-

which he gives some of the reasons which impelled him to dissolve connection with the party in power. This letter was brought out by an article in the Freeman, criticising the course of Mr. McClure and others. After citing the McChrestiray case and a number of other instances of party corruption to show that there is no hope of reform In one case it was shown by positive evidence that a public officer, high in position, had been guilty of the grossest negligence; that he had published the ermse of and updegized for the agent, through whose criminal conduct the State was defranted of several hundred. LAUGRABLE TEST OF SOCIAL POWARLTY A DISQUESTED CARPET DAGGER.

A gentleman of this city detailed to us an amusing scene which occurred in Shubuta, Miss, a short time ago.

It is expected by the best men of hold branches of our legislature and the many composed of the best men of hold branches of our legislatureand the many of it Rempliems. Its remort A Radical drummer for a New York land in addition thereto, contained tos

Now, John was a sensible darkey, and not being used to such talk, told it to his employer, the hotel proprietor. That worthy bumored the joke, and said:

"John, 1'll give you two dollars if you'll sleep with that fellow to-night.

He says you're his equal."

"All right, massa, I'll do it certain," laughed the negro. Night came, and the drunner was hardly stowed sungly in bed, when John, the porter, shuffed in of his excellency, unless some purpose of those enemies could be subservables. pose of those engines could be subserved thereby, and that purpose was the pandon of the late Treasurer of Philadimmer raised up in some surprise, violation of law, which resulted in a and the following calloquy ensued:
Drummer "What are you going to do, John ?"
John "Gettin' ready for bed, sah."
Drummer "The hill you are!
John "That makes no diffence, sah."
John "That makes no diffence, sah."
John "That makes no diffence, sah."

> Mr. McClure then goes on to give the auses of his fears of failure and disappointment in 1867 when Grant was first fully realized. We copy the concluding paragraph of the letter, with the regret that we have not space for the whole of The President's maladministration of

still worse by the appointment of ras-cals and the President's relatives to

cals and the President's relatives to other; the people praced to be relieved as specify as possible from a public debt that weighed heavily upon them, and the President responded with an attempt to force its increase, by a purchase, at an expense of a million delains, of an island which we did not then and do not now want; the vote of the people was for peace, and the President maswered their petition by sending the ships of our navy to surround the island of San Homingo for the purpose of influencing the pending negotiations for its acquisition, contrary to a well-known ts acquisition, contrary to a well-known principle of the law of nations ; the people of the South, restored to fraterna fellowship with us again, pray for the removal of the political disabilities unones, reported to be as agile "as a cut," and in addition, by no means deficient in the knowledge of the "noble science of self-defence." Well, in the Freshman class of a certain year was a barly beef mountaineer of eighteen or those who intercede for them. The ler which many of them yet labor, not identished in Western Michigan a certain Squire Trees, whose stalwart sons now 4D the parental acres, in great contempt for old Bolus' physical values of confidence, but who had an unfortunate calling—Drink.
